

Dip Display Fence

#DDF23

Give your brand the competitive edge with this great new idea!

BT Dip Display Fence

**Use to display 1 row of Dip & Salsa on the front of the Snack Shelf.
Displaying Dip & Salsa 'in-line' is a proven way to increase impulse sales!**

- The Dip Display Fence attaches easily and securely to the front of the Wire Shelving, with the Grip Clips
- Presents the Dip and Salsa attractively to the shopper.
- Dimensions : 23" long
Use two on each 48" Shelf.

SR-64 Salsa Rack

- Overall height including signholders: 36"
Shelf dimension: 14½" W x 3¾" D
- Holds 24 16 oz. jars of salsa or dip
- Attaches easily to the side of any free standing rack (hooks and ties included)

FL21 Salsa Basket

- 21" long basket has 3" sides to prevent jars from falling out and breaking
- Adds display space by hooking to the front of any store shelving

Retail Display Solutions for Product packaged in Jars, Bottles, and Cans.
