

Five Shelf Mobile Display Rack

Model #4821

This well built rolling rack is a great way to increase sales.

Convenient and easy to use, it is ideal for supermarkets and discount stores.

Store managers like the mobile feature, and will welcome placement in their stores.

- Overall height: 65"
Five Shelves: 46" wide x 21" deep
Shelves have 4" back and 2" front
- Shelves adjust every 2"
- 4" Swivel Casters for easy Rack placement

Mobile Display Rack

Model #4821-3-10

This lower-profile rolling rack allows visibility over the top shelf for store employees.

Gain extra space in store aisles and increase impulse sales.

- Overall Height: 51"
- Three Shelves 46" wide x 21" deep
- One Dip Shelf 46" wide x 7" deep
- 4" Swivel Casters for easy Rack placement
- Shelves adjust every 2"
